

2 Day Masonry Workshop

Members from the New York State Chimney Sweep Guild will be constructing a double flue fireplace and wood stove masonry chimney system for future training seminars at Olympia Chimney Supply in Scranton, PA. This will be a hands on masonry workshop for the beginner as well as for advanced students. We will construct flue tile off sets, fireplace smoke chamber, wood stove thimble and much more in this two day hands on seminar. Approximately 12 CSIA and NFI CEUs will be offered. This workshop seminar will feature masonry experts Chris Prior and John Lyday and other experienced mason/ sweeps as well. This is your chance to take your company to the next level. Please sign up today for this must attend event. Go to <http://www.emailmeform.com/builder/form/S2F4gmu7eI3X3NV97PU87> to register and www.olympiachimney.com for our web site.
